Prayer

Let us begin our prayer by our minds raised on high, considering
that God our Lord beholds us.

[SE 75]

Prayer: setting the tone

As we gather to start our Workshop, we take a moment to settle ourselves and become present to each other. With our various gifts and traits, gathered from the working environment of the European Parliament, the Commission and other EU, NGO, academic and business institutions in Brussels, from various places around Europe, India and beyond, and connected through technology, we share a common desire to become ever more brothers and sisters in the service of those God has sent us to. With the gratitude for our connection and growing friendship, we take a few minutes in quiet and stillness and rest in God's presence and love for us.

We ask you God to focus our ears and mind, open our hearts, and to Lead us into a place of stillness, where Your love is revealed. May we learn to let ourselves be loved and worked upon by you, at the intercession of your holy Mother. Amen.

I take a moment with the Pope's prayer, repeating in my heart a word or sentence that echoed within me.

A Prayer to the Creator

Lord, Father of our human family,
you created all human beings equal in dignity:
pour forth into our hearts a fraternal spirit
and inspire in us a dream of renewed encounter,
dialogue, justice and peace.

Move us to create healthier societies
and a more dignified world,
a world without hunger, poverty, violence and war.

May our hearts be open
to all the peoples and nations of the earth.
May we recognize the goodness and beauty
that you have sown in each of us,
and thus forge bonds of unity, common projects,
and shared dreams. Amen.

A Prayer to the Creator (Pope Francis, *Fratelli Tutti*)

An Ecumenical Prayer

O God, Trinity of love,
from the profound communion of your divine life,
pour out upon us a torrent of fraternal love.
Grant us the love reflected in the actions of Jesus,
in his family of Nazareth, and in the early Christian community.

Grant that we Christians may live the Gospel,
discovering Christ in each human being,
recognizing him crucified in the sufferings of the abandoned
and forgotten of our world, and risen in each brother or sister
who makes a new start.

Come, Holy Spirit, show us your beauty,
reflected in all the peoples of the earth,
so that we may discover anew
that all are important and all are necessary,
different faces of the one humanity that God so loves. Amen.
